PINNACLE
Classes

A PERFECT BLEND OF IIT-JEE & NEET
and School Education

JEE (Main & Advanced) BITSAT | Medical

We, at **PRINCE INTERNATIONAL SCHOOL, JHUNJHUNU** pay maximum focus on Synchronised Study- It means to prepare the students for both Competitive Exams (JEE/BITSAT/AIIMS/NEET) and school board examination simultaneously.

All the avenues and options will be available if a student gets good marks in both Class XII exam and Competitive Exams. For example scoring 75% marks in Class XII is compulsory to appear in JEE and BITSAT. If a student could not get admission in IIT or medical college, or not interested in Medical and Engineering courses and wants to take admission in Pure Science Courses (B.Sc., BS-MS), NIFT (fashion Technology), IPM (Intergraded Programme in Management), Delhi University (St Stephens College, Hindu College, Miranda House etc.), JNU, Delhi (for Humanities), BHU, IISER, IISc, CU, B.S in Economics, NISER, National Defence Academy, any foreign University and any other leading course, academy and universities, requires different type of intellectual strength and mentality.

We, here in **PRINCE INTERNATIONAL SCHOOL JHUNJHUNU** with our two courses, hone the students for both types of preparation- Board Exam and Competitive Exams. Both the courses have top leaders of their fields as under-

SURENDRA JANGIR

Pinnacle Classes Head

Ex. Bansal Classes & Motion Classes, KOTA

An inbuilt mentor and Maths faculty for IIT-JEE preparation in **Bansal Classes and Motion Coaching Classes, Kota** (5 Years) has joined us and looking after entire Pinnacle Classes Programme for preparation of JEE, BITSAT and Medical Entrance Exams. He is an expert in Managing foundation classes. He is very intelligent, soft spoken and helping the students always. He has created a wonderful learning environment where a student can be nurtured for all challenges including cracking JEE(Main and Advance, BITSAT and NEET, AIIMS).

SANJEEV SHARMA

Academic Head (Science Stream)

Ex. Birla School, PILANI

A Young and Dynamic leader in school education and was teaching Chemistry in **Birla School, Pilani**.

He has joined our school as the Vice Principal and Chemistry Faculty. He is very effective and impressive in subject content delivery. He does his best efforts in bringing out the inherent talent of his students to make them understand the concepts of natural sciences.

Prepare the students
to score the highest marks
in Board Exam

NDA(written and SSB)
NIFT, IPM, NTSE, JNU
DU, IISER, IISc.,NISER.

SALIENT FEATUARES OF THE PROGRAMMES

- Separate and best faculty for both the programmes.
- Rich library with maximum books required in preparation of competitive examinations as well as board exam.
- Peaceful environment with excellent climatic classroom conditions.
- Doubt classes, Extra Classes, Weekly Test, Minor, Major and Mock tests, SSB interview techniques with GD and physical preparation.
- Career Counseling and motivational workshops and seminars are conducted frequently.
